

uswinc.

we're hosting SteelDay!
September 24, 2010

You're Invited to: United Steel Works Inc.

Please join us for our annual Steel Day

On September 24th we will be holding an open house for a few selected clients. See how we process steel from estimating to shipping. Most of our clients only see the installation aspect of our business, this is an opportunity to see how the front half of that process works.

About United Steel Works Inc:

United Steel Works Inc., was founded in 1972, In 1982 the company saw the potential of expanding into the field of rebar and purchased the rebar division of Gulf Steel Inc and created Bar-Fab of Florida Inc,. In early 2008 the companies added a Light Gauge Truss Division and in June of 2010 the companies expanded to the field of architectural and ornamental railings and acquired the architectural railing company SouthEast Railings Inc., which has become the Architectural Railing Division of Bar-Fab of Florida Inc.
